

Dear AACP Attendee,

Thank you for being a part of the 2024 AACP Meeting! We are happy to have you! Each year we look forward to the legendary Sponsors' Workshop that allows you to network with colleagues and sponsors. This year's theme will be **A Night of Country at the Academy!** We heavily rely on the support from our sponsors and the Sponsors' Workshop is a great way to show our appreciation. We aim to deliver an interactive platform while creating a fun experience for all involved. We are counting on you to help make this workshop exciting and worthwhile! Dressing the theme continues to be a memorable part of the AACP meeting and makes for the best pictures! Please use the app to find your team's name and team members. Don't be afraid to introduce yourself and spark some team spirit!
